

SENIOR SESSIONS

Class of 2015

Choose your own custom photo shoots.

Each of these photo shoots allows you to customize your photos so you get just what you and your parents want. Most seniors choose two to four shoots for maximum variety. Minimum 16–20 poses per photo shoot.

1. **Studio. \$50** Get a traditional or casual look in our state-of-the-art camera room. Closeup or full length, hundreds of backgrounds to fit your style. Most seniors choose Studio as one of their photo shoots.
2. **Downtown. \$50** Urban street scenes and edgy back alley looks done just a short drive from the studio. Our most popular photo shoot.
3. **Outside. \$50** Simple environmental backgrounds in our custom outdoor studio, designed and landscaped specifically for senior portraits.
4. **Outside Location. \$50** You choose the place we go to, as long as it is within 10 miles of the studio.
5. **Your Stuff. \$50** Music, sports, hobbies, pets and other activities done in our indoor or outdoor studio. If you do it, we can shoot it!
6. **The Beach. \$125** On-location at the beach, in the ocean, on the rocks, fishing boats, on the docks. The beach has many different backgrounds to offer.
